Please pray for my little four year old son. He has at times displayed symptoms similar to his older brother who was diagnosed as having oppositional defiance disorder, which creates great amounts of chaos in our household. Please pray for God to bless him with a calm and gentle spirit of obedience and HIS love. His name is Matthew!
Thank you (expires 9/15/2010)

I thank the Lord for every one of his gifts and I'm so grateful for the miracle of accepting Jesus into my heart and the joy I have felt since that very moment. Please pray for Daisy to be healed from a childhood cancer and that the scan today turns out good. Please pray for Michael and that the doctors may figure out what the inflammation in his stomach is caused from. Glory be to God. (expires 9/15/2010)
